Annual index

INDEX TO VOL. 31, JAN.-DEC. 1978

SUBJECT INDEX

ADMINISTRATION

A closer look: bringing board and CEO performance into sharper focus. (Prybil) Apr-28

Doing more with less—gracefully. (Cathcart) Mar-17

Eleven steps to a more efficient hospital system. (Simpson) Feb-33

The hospital as 'medical practitioner'. (Wendt) Dec-40

Hospitals move to shrink the system. (Friedman) Dec-28

How to find a CEO who's right for your hospital. (Fritz) July-34

The promise and problems of vertically linked organizations. Aug-55

A strategy for turning conflict into collaboration. (Wegman and others) Oct-41

Think system, not institution, hospital trustees told. (Porter) Feb-41

Who's minding the store? (Cunningham) Mar-31

AMERICAN HOSPITAL ASSOCIATION

AHA conference opens dialog with trustees. Aug-35

Convention close-ups: the VE takes center stage. Nov-33

Convention '78: a preview of coming attractions. July-44

Cost containment issues dominate AHA annual meeting. Apr-43

National Advisory Council gives trustees a greater voice in AHA affairs. (Umbdenstock) Jan-42

AUXILIARIES

Auxilians in the boardroom: conspicuous by their absence. (Weeks) Feb-31

COLLECTIVE BARGAINING

The long arm of employee collective activity. (Metzger) May-48

COST CONTAINMENT

Association executives appeal for Voluntary Cost Containment Program support. Feb-11

Autos, tires, aluminum, oil—and cost containment. (Friedman) Sep-35

Can restructuring health care financing hold down costs? (Sigmond) Sep-44

Convention close-ups: the VE takes center stage. Nov-33

Cost containment and the physician. (Nesbitt) Sep-53

Cost containment and the trustee. (Barker) Sep-25

Cost containment issues dominate AHA annual meeting. Apr-43

A cost containment success story. (Hart and Hageman) Sep-59

The VE: alive and well on its way to success. (Earle) Sep-31

Viewpoints—cost containment: the context, not the goal of health care policy. (Rosenthal) July-14

What price cost containment? (Kramer) Nov-38

What's your opinion? What hospitals and trustees are doing to contain costs. June-47

Worth looking into: cost ombudsman teaches physicians to break expensive habits. Sep-13

DESIGN AND CONSTRUCTION

Bringing in your construction project on time and on budget. (Blume) May-39

EDUCATION AND TRAINING

Trustee development program. A progress report. (Reid and others) Feb-17

Trustee development program. Topic 3, Unit 3: Long-range planning. Jan-17

Trustee development program. Topic 4, Unit 1: The trustee's role in financial affairs. Apr-17

Trustee development program. Topic 4, Unit 2: The trustee's role in financial affairs. May-19

Trustee development program. Topic 4, Unit 3: The trustee's role in financial affairs. June-19

Trustee development program. Topic 4, Unit 4: The trustee's role in financial affairs. July-19

Trustee development program. Topic 5, Unit 1: The trustee's role in community relations. Aug-19

Trustee development program. Topic 5, Unit 2: The trustee's role in community relations. Sep-17

FINANCIAL MANAGEMENT

Can restructuring health care financing hold down costs? (Sigmond) Sep-44

Financial information that's yours for the asking. June-41

Trustee development program. Topic 4, Unit 1: The trustee's role in financial affairs. Apr-17

Trustee development program. Topic 4, Unit 2: The trustee's role in financial affairs. May-19

Trustee development program. Topic 4, Unit 3: The trustee's role in financial affairs. June-19

Trustee development program. Topic 4, Unit 4: The trustee's role in financial affairs. July-19

FUND RAISING

A dialog on development foundations. (Bromberg) Nov-11

Giving until it helps. (Cunningham) May-29

Viewpoints—the third sector: is the wellspring of social progress drying up? (Rockefeller) May-32

Viewpoints: will philanthropy follow health care out of the hospital? (Blendon) Apr-48

Worth looking into: establish a hospital foundation? This hospital said no. (Christenson) Nov-42

GOVERNING BOARD

AHA conference opens dialog with trustees. Aug-35

Auxilians in the boardroom: conspicuous by their absence. (Weeks) Feb-31

Board self-assessment: changing the governing structure to meet changing times. (Warden) Mar-37

How—and how not—to improve board performance. (Kovner) Aug-29

More hospitals say 'yes' to physicians on boards. (Kessler and Tracy) Aug-47

On involving physicians in hospital governance. Apr-38

Toward a more representative board: a case history. (Reichman and Machaver) Oct-32

Wanted: strong trustees for strong boards. (Nelson) Nov-21

What's in store for 1984? A look at the future of trusteeship. (Kaiser) Jan-28

Who's minding the store? (Cunningham) Mar-31

Women: the second sex in the boardroom, too. (Loeser and Falon) Feb-24

HEALTH EDUCATION

Health promotion: forty years of trial, and error. (Cunningham) Dec-35

HEALTH PLANNING

Hospitals move to shrink the system. (Friedman) Dec-28

The politics of health planning: new role for hospital trustees. (Berriman) May-8

Too little health policy—or too much? (Cunningham) July-39

Viewpoints: bed ratio no solution. (McKillop) Feb-44

Why radical health reform can't succeed. (Ginzberg) Mar-43

HOSPITALS

Hospitals and government: we need one another. (Abbis) July-28

Public-general hospitals: here today, here tomorrow. (Appelbaum) May-43

LAW AND LIABILITY

The case for the hospital staff attorney. (Simons) July-11

The disruptive physician: handle with care. (Hollowell) June-11

Helping the impaired physician. (Ludlam) Oct-17

The law your hospital might be breaking. (Epstein and Levy) Aug-12

When exclusive service contracts go to court. (Southwick) Jan-9

When is a hospital liable for its physicians? (Morris) Dec-8

Who speaks for incompetent patients? The case of Joseph Saikewicz. (Carroll) Dec-19

LICENSURE AND REGULATION

Hospitals and government: we need one another. (Abbis) July-28

Regulation: from the viewpoint of the regulator. (letter) (McCarthy) Mar-53

MALPRACTICE

Arizona court OKs malpractice insurance requirement for physicians. (Cheifetz) Feb-6

MARKETING

Of snake oil and science. (Cunningham) Apr-34

MEDICAL STAFF

Cost containment and the physician. (Nesbitt) Sep-53

The disruptive physician: handle with care. (Hollowell) June-11

Helping the impaired physician. (Ludlam) Oct-17

More hospitals say 'yes' to physicians on boards. (Kessler and Tracy) Aug-47

On involving physicians in hospital governance. Apr-38

Should trustees be members of medical staff committees? It's debatable. (Mamana) June-36

Should trustees be members of medical staff committees? It's debatable. (Mountz) June-37

Small towns need big-time tactics to find physicians. (Smith) May-35

When exclusive service contracts go to court. (Southwick) Jan-9

PARLIAMENTARY PROCEDURES

Point of order! A potpourri of rules. (Bradley) Jan-52

PEER REVIEW

Closed peer review is best. (letter) (Zingman) July-50

Peer review: a secret affair? (Dunn) Apr-9

PLANNING

The hospital as 'medical practitioner'. (Wendt) Dec-40

Sizing up the future: it's more important—and easier—than you think. (McMillan) Jan-46

Trustee development program. Topic 3, Unit 3: Long-range planning. Jan-17

POLITICS

Worth looking into: CLOUT workshop shows hospitals how to flex their political muscle. July-47

PUBLIC OPINION

Viewpoints—the health debate: is anyone listening? (Parachini) Mar-11

PUBLIC RELATIONS

Complaints: nothing to complain about. (Moses) Oct-47

Toward a more representative board: a case history. (Reichman and Machaver) Oct-32

Trustee development program. Topic 5, Unit 1: The trustee's role in community relations. Aug-19

Trustee development program. Topic 5, Unit 2: The trustee's role in community relations. Sep-17

Worth looking into: how one hospital turned bad news into good news. (Davis) June-44

QUALITY OF HEALTH CARE

If we don't care, they won't. (Cunningham) Oct-27

Worth looking into: how one board helps its medical staff grapple with the ethics of patient care. (Carris) Mar-48

RISK MANAGEMENT

Worth looking into: support from the top is the bottom line of a successful risk management program. (Groves and Korsak) Aug-63

SAFETY

AHA/ASHE codes and standards program puts safety first, but common sense isn't far behind. (Bertz) Jan-37

SHARED SERVICES

The myth and the reality of shared services. (Kerr) Nov-28

TECHNOLOGY

Taming the technological tiger. (Sanders) Mar-23

TERMINAL CARE

Who speaks for incompetent patients? The case of Joseph Saikewicz. (Carroll) Dec-19

TRENDS

Sizing up the future: it's more important—and easier—than you think. (McMillan) Jan-46

What's in store for 1984? A look at the future of trusteeship. (Kaiser) Jan-28

WOMEN

Women: the second sex in the boardroom, too. (Loeser and Falon) Feb-24
